From the P.D. Bd. Mandya.
Letter No B2.C. 144/46-47 Dt. 18.Aug 47.
regards for clarification as regards the right
for the collection of fees at the Shandy
recently above —

The Presidt States that in accordance with
Govt No. L. 105 K-4/48-37-45-7 dt 25-January 1947,
sanctioning the levy of fees at the Shandis of
North and South Bank, Tenement Tank,
among others, the sale of the right to collect
fees was sold for 1947-48 by the Dn. Bd on 4.5.1947
at Chikkayanchatti as notified and the same
was confirmed by the Board on 24.5.47, in favour
of one Mr. Lakkegowda for Rs 1157- p.m.
& the Contractor has been collecting the Shandy
fees. In contravention of the above Govt order
a subsequent Govt No. PW. 1486-41/KRS.
13-45-57 dated the 31st July 1947, was received
from the Secy. P.W. Deptt, sanctioning as
a special case the proposal of the Chief Engineer
for Irrigation, to levy ground rent for the
Shandy at Krishnarajasagara South Bank
and for maintaining the area by the P.W. Deptt,
which the Presidt. States is a direct negation
of the previous Govt order empowering the Dn. Bd
to exercise control over the Shandy in question.
The Presidt States that in reply to a reference
from the Executive Engineer, K.R.S. Division
his predecessor had replied in his office letter
B2.C.144/46-47, dt 12.5.47, stating that the Dn. Bd
as per Sections 45(1)(c) and 54 A(1) of the Mysore
Dn. Bd Act of 1926 would be competent to
levy fees in the Shandis etc. The Board seeks
enlightenment with regard to the anomalous
position in which the Board finds itself
and insists that the right for the collection of
fees and management of Shandis in the districts
shall be vested in the Dist Dn Board only. Subject to orders of

Standy at Kuchaveli Jaffna, Sinhala Board

to put up a modified ~~draft~~ ~~draft~~ G.O.

accepting the resolution of the District Board Mandya

3105/LB. dated 8th December 47 as the reasons put

forth by the ~~Dept~~ President D.B. Mandya ~~are~~

Convincing. No Shandy in the District, unless they are

located with in the Municipal limits, can be managed

A. by any ~~other private~~ agency other than the District

Board ~~which I must point~~. Keeping

the Shandy maidan in good Sanitary condition,

is the responsibility of the District Board.

Now that the District Board have accepted

to contribute a certain Quota of their

income of their Shandy towards the maintanence of that Shandy

by the P.W.D., I think no reason to break

the healthy convention and the provisions of

the D.B. act. Hence a modified G.O

may be put up immediately as this case is pending

for a long time.

15) The argument advanced by the Chief Engineer Charge shows that in order to maintain proper sanitary condition in that Shandy the wants to retain the management under the P.W. department. I fail to understand the argument for the simple reason that proper maintenance of sanitary condition is so essential only in this shandy as it is just situated by the side of the P.W. Colony and not in other shandies though they are also situated by the side of villages with human beings. The district boards throughout Mysore State are managing many such shandies providing necessary sanitary amenities. The G.O passed on 31-7-47 does not indicate any thing about the G.O of 25-1-47 which authorises the Dist Board to levy market fees. According to the G.O of 31-7-47 the fundamental right of any local body ie the Dist Board which is empowered to maintain such shandy will be taken away for no fault of theirs. I am sure the Dist Board are aware

From the P. W. Deptt. Bd. Mandya.
Do. Letter no. B2-C. 1446/46-47 dt 26.7.48,
5-48/LB. regarding orders about the Bhandy at the Sluice-Bank Kuthuvaji Agrahara.

Reference Secretary's note on the above: "Reference is made at one" [illegible] of the remarks made on the subject relating to the [illegible] belong to Bhandy at the Sluice Bank Kuthuvajagrahara has been taken up with D. No. 3105, to the S. E. Mandya, on 30.6.48 and orders thereon are awaited. The President Dt. Bd. Mandya, was also informed in this Office Do. Letter no. LB. 769 dated 23.7.48, that the subject is under active consideration of Govt and orders are expected to be passed early etc. But the President has once again written to say that the Executive Engineer's interfering with the administration of the Dist. Board etc. But the conducting of the authorities of the P. W. Deptt is likely as Engineer Do. No. P. W. 1436-41/ KRS. dated the 8th July (1948), remains in force, it is a real anchor of stability in their favour and they are obviously reluctant to surrender their legitimate right of the collection of fees at the Bhandy. But on the other hand the Dist. Board represents that the straightforwardness on the part of the P. W. Deptt in retaining their right of collection is understandable, but high handedness in the exercise of the said right by the Executive Engineer in causing inconvenience to the District Board Contractor.

3) The President requests to issue instructions to the Executive Engineer through the P. W. Deptt to stay further proceedings and to allow the Dt. Bd Contractor to collect fees at the Bhandy, pending final orders from Govt. The request the Pdt is invited for orders.

To
The Secretary to Government,

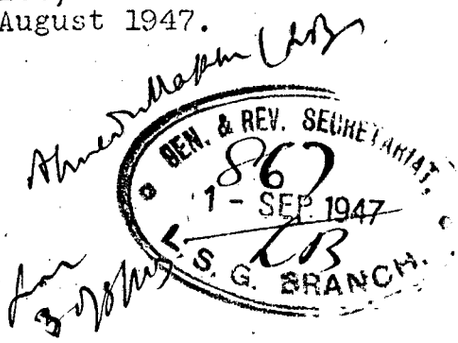
Through:
The Deputy Commissioner,
Mandya District, Mandya.



Sir,

I have the honour to forward herewith a copy of Government Order No. P.W. 1436-41/K.R.S. 13-45-59 dated the 31st July 1947 received --- through the Deputy Commissioner, Mandya District, Mandya, from the --- Secretary to Government, Public Works Department, sanctioning as a special case the proposal of the Chief Engineer for Irrigation to levy ground rent for the weekly shandy at Krishnarajasagara South Bank and for maintaining the area by the Public Works Department and to state that as per Government Order No. L.10512-4/L.B. 37-45-7 dated 25th January 1947 sanctioned for the levy of fees at the Shandies of North and South Banks, Frenchrokks taluk among others, the sale of the right to collect fees was sold for -- 1947-48 by the District Board on 4-5-1947 at Chikkayarahalli as notified and the same was confirmed by the District Board at their meeting held on 24th May 1947 in favour of the highest bidder one Mr. Lakkegowda for --- Rs.115/- per month and the Contractor of Majjigepura village has been --- attending to the collection work.

In this connection, I may state for your kind ~~if~~ information, that a reference was received in this office from the Executive Engineer, K.R.S Division on 8-5-1947, forwarding a copy of his letter addressed to the -- Superintending Engineer, Irrigation Circle, K.R.S. Works, Mysore, protesting against the levy of fees by the District Board at the South Bank -- Shandy, Krishnarajasagara and to keep the auction sales conducted by the District Board in obeyance, pending final orders of Government in the -- matter of collecting ground rent for the shandy by the Public Works Department.

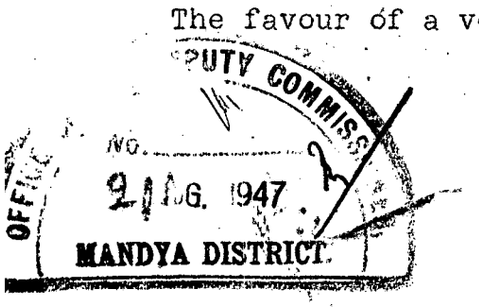
My predecessor in office, replied in this office letter No. B2.C. 144/46-47 dated 12th May 1947 (vide copy enclosed) stating that the Dist. Board as per sections 45(1) (c) and54 (A)(1) of the Mysore District Board Act of 1926 as amended from time to time, would be competent to levy fees at the shandies in the District etc., copy of the same was sent to the Superintending Engineer, Irrigation Circle, K.R.S. Works, Mysore and also to the Deputy Commissioner, Mandya District. So far no reply has been -- received in this behalf either from the Executive Engineer or from the Superintending Engineer.

Under these circumstances, I write to state that how the present order was passed in the Public Works Department in view of the Government Order dated 25th January 1947, sanctioning the levy of fees at the Shandies in the District among others is not understood.

In this connection, I may mention, if in the circumstances stated in the present Government Order dated 31st July 1947 that the improvement of the Shandy grounds has to be attended to ~~be~~ by the Public Works Department, a reasonable quota out of the sales realisations of the year, as -- fixed by the Board and sanctioned by Government might be conveniently be paid but the collection of fees and management of shandies in the District should be vested with the District Board only as per Section 69 of the -- District Board Act.

4260

The favour of a very early order is solicited in the matter.



I have the honour to be,
Sir,
Your most obedient servant,

President,

ORDER THEREON No. P.W. 1436-41/K.R.S. 13-45-59
Dated Bangalore 31st July 1947.

The shandy maidan in K.R. Government/feel that it may not be possible for the Mandya District Board to employ the necessary staff for attending to -- Sanitary arrangements in the area.

Letter No. B2.C.144/46-47 dated 12th May 1947 from the President, Dist. Board, Mandya District, Mandya, to the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara and copies forwarded with compliments, to the -- Superintending Engineer, Irrigation Circle, K.R.S. Works, Mysore and the Deputy Commissioner, Mandya District, Mandya, for kind information.

With reference to your memo No. 2746 dated 6-5-1947 forwarding a copy of your letter addressed to the Superintending Engineer, Irrigation Circle, K.R.S. Works, Mysore, re: levy of market fees at the weekly shandy at South Bank, K.R. Sagara, I have the honour to state that Government in their Order No. L.10512-4 L.B. 37-45-7 dated 25-1-1947 have sanctioned for the levy of fees at North and South Banks, Frenchrocks taluk among others. Accordingly sale of the right to collect market fees was held on 4-5-1947 at Chikkayarahalli village as notified.

All the markets are under the control of the District Board in the Dist. except municipal area as per Section 45(1) (c) of the Mysore District Board Act of 1926 as amended from time to time and no market either private or public can be held as per Section 54 A(1) of the same Act in the District without the --- previous consultation of the District Board concerned. Besides sanction of the Board and Government was obtained for holding shandies at Gamanahalli, Hulikere, Dudda, Garudanahalli and even North and South Banks to facilitate labourers, -- employees etc.,

Under the above circumstances, it is not understood why the District -- Board should consult your department to levy fees on shandies which have been under the control of the District Board, as stated in your letter addressed to the Superintending Engineer. Hence, your reasoning for keeping the sale held in obeyance does not appear to be tenable.

Dear Sir,

I write to bring to your kind notice the following few facts on the above subject for favour of kind perusal and suitable orders passed:-

1) The Government in their order No.L.10512-4/L.B.37-45-7 dated 25-1-47 sanctioned for the levy of market fees at the above shandy among others from 1947-48, as recommended by the District Board.

2) The District Board auctioned the sale of the right to collect fees at the shandy for '47-48 for Rs.115/-per month.

3) The Government in the Public Works Department passed orders in their order No.P.W, 1436-41/K.R.S-13-45-59 dated 31-7-47, on a reference made by the Chief Engineer for Irrigation for sanction to the proposal to levy ground rent for the weekly shandy at Krishnarajasagar south Bank etc.,

4) This office letter No.B2.C.144/46-47 dated 21-8-47 addressed to the Secretary to Government, Revenue Department stating that the P.W.D.may not be permitted to encroach upon the administration of the District Board etc.,

5) This office letter No.B2.C.144/46-47 dated 22-12-47 to the Secretary to Government Revenue Department, conferming the action taken by the President on 21-8-47 and also enclosing copy of the ---- resolution passed by the District Board on 8-12-47 and sending a copy to the Superintending Engineer, Irrigation circle to await Final orders of Government (Revenue Department).

7) This office D.O.letter No.B2-C.144/46-47 dated 10-7-48, confirming the telegram sent to the Revenue Secretary, stating that the Executive Engineer, Krishnarajasagara Division had threatened to give wide publicity by beat of tom-tom not to pay fees to the District Board contractor for '48-49.

From the perusal of the references noted above, the Public works Department authorities have taken the law into their own hands contrary to the G.O.dated 25-1-47 sanctioning the levy of fees by the District Board and have unnecessarily interfered with the District Board Administration and caused a heavy loss to the shandy contractor, inspite of the fact

Subject:-Weekly shandy at South Bank at Krishnaraja-sagara.

REVENUE SECTT. 5748 29 JUL 1948 LO. BRANCH

Adverting to your D.O.letter No.L.B.769 dated 23-7-48 on the above subject, intimating that the matter is under active consideration of Government and orders are expected to be passed early, I write to enclose herein a copy of D.O.letter No.22 dated 23-7-48 from the Executive Engineer, Krishnarajasagara and also a copy of reply of today to him.

It is seen from the same the highhandedness and attitude of the Executive Engineer, in interfering with the District Board administration. At least he could have waited the final orders of Government on the Revenue side, who had ordered for the levy of fees at the shandy.

I request you, therefore, that you will kindly arrange to issue necessary instructions to the Executive Engineer, through the Chief Engineer, Irrigation, to stay further proceedings and allow the contractor to collect fees at

Dated 26th July 1948.

Dear Sir,

Subject:-Weekly shandy in South Bank at Krishnarajasagar.

*****

With reference to your D.O.letter No.22 dated 23-7-48, intimating that a notice issued to the shandy contractor Sri.Lakkegowda not to collect ~~x~~ fees at the shandy etc., I write to enclose herein a copy of letter No.L.B.769 dated 23-7-48 from the Revenue Secretary to Government stating that the matter is under active consideration of Government and orders are expected to be passed early on a reference made to the Government by a telegram and two D.O.reminders.

In this connection, I may state with very much regret that the action taken by you in this behalf is rather very hasty and could have awaited the final orders of Government in the Revenue Side, as already intimated to you, since it is on the authority of the Government in their order No.L.10512-4/L.B .37-45-7 dated 25-1-47 that fees were levied at this shandy under the control of the District Board among others and it is but right to await final orders of Government in this behalf and could have waited some time more causing inconvenience to the poor contractor, for which this office is not responsible to get the orders passed by Government but could only be reminded.

Under these circumstances, I request you to kindly allow the contractor Sri.Lakkegowda for the year 1948-49 to collect fees at the shandy pending the receipt of the G.O.through the Revenue Secretary to Government.

Thanking you,

Yours Sincerely,

sd/- C.Mallaiah,

With reference to your D.O.No.B2.C144/46-47 dated the 20th July 1948, I write to invite your kind reference to this office No.201 dated 21-7-48 wherein a copy of the notice issued to the shandy contractor Sri.Lakkegowda has been transmitted to you for information.

I very much regret to inform you that there has already been a long delay in the enforcement of the Government order No.P.W.1436-41/KRS 13-45-59 dated 31st July 1948 only on the authority of your letter addressed to the Revenue Secretary to Government. As no orders contrary to the Government Order cited above have so far been received, I feel I am perfectly justified in regard to the action taken by me to implement the orders of Government.

I may casually suggest that this Department has no objection to your holding the shandy in case you are particular of doing so anywhere beyond the Belagula Circle.
